## What's not covered

There are a few things that aren't covered by your extras cover.

They are treatments & services

- ✗ received within your waiting period
- ✗ received outside Australia
- ✗ covered by compensation or another type of insurance (like third party or sports club insurance)
- ✗ received more than 2 years ago
- ✗ received from providers that aren't registered or recognised by Peoplecare
- ✗ received from a family member, relative, business partner or yourself
- ✗ you weren't charged for
- ✗ for sport, recreation or entertainment

and:

- ✗ Pharmaceutical Benefits Scheme (PBS) prescriptions under the standard PBS amount, contraceptives or over-the-counter medicine
- ✗ Naturopathic & herbal medicines
- ✗ First-aid kits & courses
- ✗ Non-prescription glasses, contacts & sunglasses
- ✗ Receipts issued by a third party, like group buying websites or group deals
- ✗ If you're using a gift voucher, we can't pay the difference between the cost of the service and the value of the voucher. For example, if you use a \$60 voucher to pay for a \$40 service, you can only claim back the \$40 as the official fee for that service
- ✗ Benefits higher than the amount you paid for the service. For example, if you receive treatment that's discounted from \$65 to \$30, we only pay a benefit towards the fee you paid (i.e. \$30)
- ✗ Surcharges, delivery costs and credit card processing fees

# Things to know about

## Extras cover more info:

- Annual limits are for a financial year (1 July – 30 June) and are usually per person (unless it says otherwise).
- Optical benefits (glasses & contacts) are paid when glasses or contacts are prescribed by a registered optometrist. They have to be for sight correction and we don't pay on non-prescription sunglasses.
- Smiles all 'round - We've teamed up with the smile.com.au network of quality dentists to help take the bite out of your wallet. You can now visit any of the friendly smile.com.au dentists around the country and you'll get at least 15% off their usual fee for all treatments – just for having extras cover with Peoplecare! This offer is separate to your extras limits and waiting periods, so you'll get savings all year 'round.
- Health management - We pay benefits for approved programs to manage or treat a specific health condition. Health screening services such as blood pressure testing, cholesterol checks, mammograms and hearing tests can be claimed if Medicare don't pay a benefit. Please give us a buzz for details. Under the Private Health Insurance Act, we can't pay benefits for goods and services that are for the purposes of sport, recreation or entertainment (like gym memberships). You'll need to send us a Declaration of Condition Form found at [peoplecare.com.au/Members/Forms](http://peoplecare.com.au/Members/Forms).
- Extras providers need to be registered with Medicare or recognised by Peoplecare before benefits will be paid. We reserve the right to refuse payment for services rendered by a provider who does not satisfy the fund criteria. If you wish to ensure that the provider you are attending is covered by the fund you can search for registered providers on our website [peoplecare.com.au/findaprovider](http://peoplecare.com.au/findaprovider) or give us a buzz before you go.

## How to make an extras claim

### Swipe your card – claim instantly!

EFTPOS-style claiming is easy. Swipe your membership card and claim paid! On-the-spot claiming, called HICAPS, is available at most health providers like dentists, optometrists, physios, chiro's and more. You just pay the difference between their fee and your fund benefit – no claim form needed. Nice.
