[†]1 initial consult per year per service except physiotherapy which has 2 initial consults per year.

Please note: Annual limits are per person, per financial year (unless otherwise stated). This isn't the full list of services covered. It's always best to give us a call before having any treatment to check exactly what you're covered for.

If you're transferring from another fund, we'll recognise any waiting periods you've already served if you switch to us within 30 days. Plus, if you've only served part of a waiting period, say, 2 months of a 6-month waiting period, you'll only need to serve the remaining 4 months when you transfer to Peoplecare.

If you're upgrading your cover, waiting periods still apply for the services that you weren't previously covered for.

EXTRAS COVER

- Annual limits are for a financial year (1 July - 30 June) and are usually per person (unless it says otherwise).
- Optical benefits (glasses and contacts) are paid when glasses or contacts are prescribed by a registered optometrist. They have to be for sight correction and we don't pay on non-prescription sunglasses.
- Smiles all 'round - We've teamed up with the smile.com.au network of quality dentists. You can now visit any of the friendly smile.com.au dentists around the country and you'll get at least 15% off their usual fee for all treatments - just for having extras cover with Peoplecare. This offer is separate to your extras limits and waiting periods, so you'll get savings all year round.
- Health management - We pay benefits for approved programs to manage or treat a specific health condition. Health screening services such as blood pressure testing, cholesterol checks, mammograms and hearing tests can be claimed if Medicare don't pay a benefit. Please call us for details. Under the Private Health Insurance Act, we can't pay benefits for goods and services that are for the purposes of sport, recreation or entertainment (like gym memberships). You'll need to send us a Declaration of Condition Form found at peoplecare.com.au/Members/Forms.
- Extras providers need to be registered with Medicare or recognised by Peoplecare before benefits will be paid. We reserve the right to refuse payment for services rendered by a provider who does not satisfy the fund criteria. If you wish to ensure that the provider you are attending is covered by the fund you can search for registered providers on our website peoplecare.com.au/findaprovider or call us before you go.
